## *Dormant Accounts:*

It is important for us to keep in touch with our credit union members. Have you changed your address, email(s), phone number(s), or had trouble receiving mail? Shares that become dormant and are not re-activated or claimed by members for **three (3) years**, must be sent to the state. If we have no way to contact you to notify you of an account dormancy, then you may lose all those funds. Help us prevent this from happening by making sure we have all your up-to-date information. Call us today!
